Do you keep chickens, ducks, geese...

Help protect your birds from the risk of **#birdflu**

Did you know?

There is a constant risk of bird flu in the UK from wild birds. As it's highly contagious take action to protect your birds from catching it.

Remember

Any very sick birds, or unexplained deaths, must be assessed by your vet. By law suspicion of bird flu is notifiable and can affect poultry movement and trade.

Tip 1: Cleaning

Clean footwear before and after visiting your birds. Keep areas clean and tidy, and regularly disinfect hard surfaces. Humanely control rats and mice.

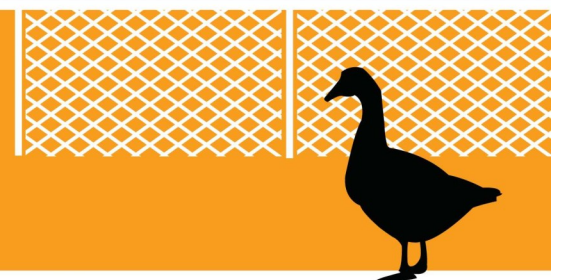

Tip 2: Feeding

Place your birds' food and water in fully enclosed areas that are protected from wild birds, and remove any spilled feed regularly.

Tip 3: Fencing

Keep your birds separate from wildlife and wild waterfowl by putting suitable fencing around the outdoor areas they access.

Tip 4: Stay aware

<http://animalhealth.system-message.co.uk>

Sign up for free online to receive alerts on any outbreaks of bird flu, and register your birds on GOV.UK.

Fancy Fowl

Welcome

Dear Members and Exhibitors,

It is my pleasure to welcome you all to the National Championship Egg Show, proudly hosted by The Poultry Club. While this year's event carries a slightly different character, we are nonetheless thrilled to come together once again to celebrate the dedication, skill, and passion that define our community that centres around traditional breeds of poultry.

It is with sincere regret that we must acknowledge the absence of live poultry at this year's show. Due to the continuing challenges posed by Avian Influenza, and particularly the regrettable decision by the authorities to withhold the gatherings licence, we have found ourselves taking a step backward in what has been a long and ongoing battle to protect both public health and the integrity of our hobby. These overly cautious measures, while aimed at safety, have unfortunately impacted our ability to showcase birds in person — a core joy of our exhibitions.

However, even in the face of these challenges, we continue to press forward. We are very much looking forward to welcoming you to Lincoln Showground on the 8th of November, where we will hold our prestigious National Championship Egg Show. It promises to be a joyful event, with exhibitors competing for top honours — including the opportunity for someone to win the much sought-after Isherwood Prize.

Alongside the show, we will also be holding The Poultry Club's Annual General Meeting, and we warmly invite all members to attend. Facilities will also be made available for other breed clubs wishing to conduct their own AGMs on the day. Refreshments will be provided, and we hope the occasion will foster both discussion and great camaraderie.

We also encourage members to take advantage of the opportunity to sit relevant judging section tests, helping to ensure the continued growth and professionalism within our showing ranks and the expansion of our Judges' panel.

Most importantly, this event allows us to keep our hobby alive during a difficult and uncertain time. By coming together and sharing our successes, our challenges, and our experiences from the past breeding year, we not only support one another, but also uphold the enduring spirit of the poultry fancy.

Thank you for your continued support, resilience, and passion for our shared interest. I look forward to seeing many of you at the show!

Warm regards,

Lee Grant

President
The Poultry Club

CHAMPIONSHIP EGG JUDGE

Mr Leon Smith

ADMISSION TO THE SHOW

Entry into the National Egg Show venue is **FREE**.
